a multiplying movement of disciples and churches

T4T TRAINING SYDNEY & CANBERRA

ABOUT OUR TRAINERS

Ying and Grace Kai have been at the heart of one of the most effective disciple multiplying movements in our generation. Such movements begin with Father's Heart for lost people.

Come with your team and catch from Ying and Grace this Christ centred heart, passion and character for the harvest in Australia and beyond.

Our goal is the development of workers that God can use to multiply disciple making disciples in our Australian context.

There will also be opportunity for networking and a chance to hear some short case studies of what God is doing among workers applying movement principles in Australia.
